

Did you know that Brindisa was born with cheese?! Founder Monika's brother brought over a box of Spanish cheeses to an impromptu dinner party in 1988... it was at this dinner party, Brindisa was born!

Since then we have been carefully selecting Spanish cheeses focusing on supporting small, family producers from throughout Spain.

Cheeses marked with 🐐 have benefited from extra maturing and mongering in our Brindisa Balham Cheese Cave to enhance and balance their flavours.
